NEW CLASSES FOR TEENS

PROGRESSIONS (Beg/Int level) Jazz, ballet and modern technique exercises moving across the floor.

PLUS, TWO 12-WEEK ABSOLUTE-BEGINNING LEVEL COURSES

These courses are designed to assist the absolute-beginning dancer through the basic movements and exercises they will need to enter a beginning level course. Dancers will learn the basics and will move to easy combinations in each class using the steps they learned, adding on to those steps in the next class.

INTRO TO DANCE includes Jazz and Ballet basic-beginning techniques, exercises and movement.

BASIC JAMS is a Hip Hop movement class that is taught add-on style. Perfect for absolute-beginning dancers to get familiar with popular steps and get moving throughout the class.

LEVELS

A level placement evaluation and/or recommendation for level placement may be required.

Youth General and Combo Level

General level with some experience, beginning to beginning-advanced level.

Teen: General Level

Teen classes without a stated level are a general beginning-intermediate level class.

Youth and Teen: Beginning Level (Absolute-beginner to Beginning-advanced)

Beginning level classes are for Youth and Teen dancers who have not taken class in a particular style or who have had limited training. These classes start with the absolute basics and progress through beginning level.

Steps: Chassé, pas de bourrée, single chaîné, single pirouette, sauté, jeté, shuffles and flaps.

Teen: Level 1 (Beginning-advanced to Intermediate-intermediate)

Level 1 is for dancers who completed a beginning course and have an understanding of beginning level technique. This class progresses from a beginning-intermediate level to an advanced-intermediate level.

Steps: Double pirouette, single-double chaîné, piqué turns, grand jeté, assemblé, double time step, riff walks.

Teen: Level 2 (Intermediate-intermediate to Advanced-advanced)

Level 2 is for dancers who have completed an intermediate course and have an understanding of intermediate level technique. This class progresses from a beginning-advanced level to an advanced-advanced level.

Steps: Triple pirouette, fouetté turns, tour jeté, second jump, pull backs and traveling time step.
